

Prof. Dr. Hans Joachim Galla, Institute of Biochemistry, University of Münster

1969 – 1973	Studies of chemistry, University of Göttingen
1975	PhD. at the Max-Planck-Institute (MPI) for Biophysical Chemistry, University of Göttingen, 1976 Research associate at the MPI, Göttingen
1976 – 1979	Research associate at the University of Ulm
1979	Habilitation in “Biophysical Chemistry” University of Ulm
1979 – 1980	Assistant Professor, Stanford University,
1980-1983	Heisenberg Fellow, independent group leader, University of Ulm
1983 -1990	Professor of Biochemistry, Institute of Biochemistry, Technical University of Darmstadt
1990 - 2016	Full Professor of Biochemistry, Institute of Biochemistry, University of Münster (continuously), Director of the Institute
2013 – 2014	Visiting Professor at the Chinese Academy of Science, Beijing
2016-	Emeritus
1992/1993	Dean of the faculty
1993 – 1997	Member of the Senate
2003 - 2016	Board member “International Graduate School in Chemistry” and chair
2008 - 2016	Chairman of the International Graduate School in Chemistry

Awards & honors

1979	Science Award of the City of Ulm
2002	Science award of the University of Münster
1996 – 2002	Member of the Board of the European Cell and Tissue Society
1976 – 2002	Vice President of the European Cell and Tissue Society
2002 – 2006	President of the German branch of the European Cell and Tissue Society
2002 – 2006	Member of the Board of the German Biophysical Society
2002 - 2006	Secretary of the German Biophysical Society
2007	Eva-Luise Köhler Award for Rare Diseases behind the Blood-Brain Barrier
Since 2008	Member of the Board of the German Biophysical Society
2012 - 2014	President of the German Biophysical Society
2015 – 2018	Vice-President of the German Biophysical Society

Publications

Published > 330 papers (including reviews)
h-factor 56 (excl. self citations)
supervised 150 PhD thesis
